Certified in Public Health (CPH) Retired Status Request Form

NBPHE developed the CPH-Retired category to recognize CPHs who have retired from their professional career and will be ineligible to recertify. To be eligible for the CPH-Retired status, candidates must:

- Retire from a public health role with the designation of active CPH
- Be certified as a CPH at the time of retirement
- Apply for CPH retired status at the time of first recertification after retirement.
